

**East Zorra Mennonite Church
Weekly Automatic Offering Transfer**

The option to make your regular church offerings by way of weekly automatic transfer is available to anyone who is a member at Kindred Credit Union. You need to set up a weekly automatic transfer from your bank account to the Church's bank account. The Church's bank statement will show your bank account number which will be used to record donations in your name. The first step will be to have Kindred staff set up the ability to make an inter-member transfer to the Church's account. Then you can have Kindred staff set up the transfer or you can set that up yourself on internet banking.

1. Offerings will be designated according to the published Offering Schedule.
2. Transfers must be made on Sunday of each week.
3. Additional offerings may be made in the Sunday morning collection. There are generic offering envelopes available from the ushers.

I hereby authorize East Zorra Mennonite Church to collect, use or disclose my personal information for the purpose of accepting a weekly automatic transfer from my account to the Church's general account as my regular church offering. I acknowledge that my Kindred account number will appear on the Church's monthly financial statement as will the Church's appear on mine. I promise to keep this information confidential.

I agree to set up my offering transfer on a weekly basis for each Sunday. I understand that the offerings will be designated according to the published Offering Schedule. I will make any additional offerings through the Sunday morning collection. I understand that my income tax receipt will include my weekly transfers and any additional donations recorded to my name.

Member Name: _____

Kindred Account Number: _____

Signature: _____
